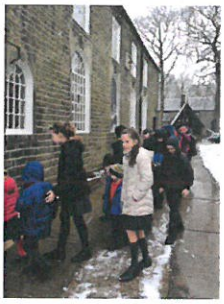
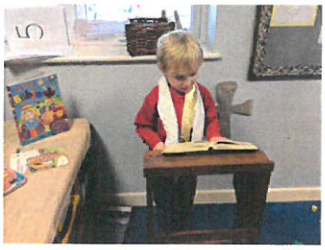
Head's Message

Highlights from RE Week





In **Class Reception**, we have been learning about Christianity. We have listened to stories that Jesus told and thought about their messages. We visited the church with our Year 6 buddies and learnt about special times of the year when the church is decorated in particular colours. In class, the children helped to create our own role-play church and enjoyed retelling the stories that they have been learning about and baptising the baby doll in our Class Reception font.

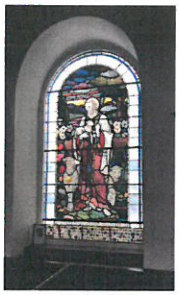
Class 1 have learnt all about Islam during RE week. They have tasted foods, worn their own henna design, learnt to pray on a prayer mat and acted out the 5th pillar of Islam, Hajj, in the hall. They have thoroughly enjoyed themselves and a big thank you to Miss Uddin for the activities and knowledge she has shared with the children.

Class 2 have been learning all about Sikhism. We visited a Sikh Gurdwara in Preston where we saw the prayer room, learned about the Golden Temple and how to tie a turban. In class, we have made information booklets all about Sikhism and created our own Rangoli patterns.

Class 3 have been learning about Budhism and have been practising meditation.

Class 4 have been studying Hinduism this week. We have focused on the origins, Diwali and Hindu Gods.

Year 5 visited the Manchester Jewish Museum to consolidate and extend their learning about Judaism as part of RE week.



Class 6 have been learning about Christianity. They have enjoyed writing their own song to perform to the school and making stained glass windows on the computer.

Wishing you all a happy half term!

Bags to School

Donations to school by 9am on Thursday 22 February please. Second hand clothes and accessories only. No household linen or bric a brac. See collection bags that have been sent home for details.

World Thinking Day 2018

World Thinking Day is on 22nd February. Any pupils who attend Guides, Scouts, Brownies, Cubs, Rainbows or Beavers may wear their uniforms on this day.

Mathematics Resources

There are some explanatory notes on the school website explaining how mathematics is taught in school to the different age groups. There are examples and explanations for the four main arithmetic functions. They can be found on the school website on the Curriculum Page at the bottom under Resources. Click on the title and the notes should open in a new document.

Edenfield Before and After School Club Holiday Provision

EBASC will be running a Holiday Club over the Easter Holiday on 26th, 27th, 28th and 29th March at a cost of £20 per day. This is open to registered members only. Phone 07561166664 to book or for more info.

Thought of the Week

It takes lots of people to change the world,
If we work together, we can change the world,
One small change can change the world,
It can start with me.
