Head's Message

Dear Parents / Carers,

As predicted, it has been a very busy couple of weeks here in school. On Monday 20th June, Year 6 attended the Leavers' Celebration, hosted by the Diocese, at Manchester Cathedral. The service was led by The Right Reverend Mark Davis, Bishop of Middleton, and the theme was 'The Servant Queen and the King she serves'. We reflected on the Queen's long service to her people and thought about how we might follow her example as she seeks to follow Jesus. The children were guided to 'Run the Race' of life as they carry forward the Christian Banner of faith, hope and love towards their new school journey. We are confident that our Year 6 children will use these values to make a positive contribution to their respective new schools. Afterwards, all the children enjoyed a celebratory lunch at a Pizza Restaurant in the city centre. They behaved impeccably and were a credit to the school and their parents and carers. Please see the website gallery for photographs of this event.

That very same evening, two teams of three pupils from Year 6 participated in the Ramsbottom Rotary Youth Speaks Festival held at the Red Hall Hotel. The teams, 'The Thrill Seekers' and 'The Sporting Heroes' gave respective speeches on the history of theme parks and roller coasters, and how sportswomen, with a focus on Charlotte Dujardin, can influence and inspire others. It takes courage and determination to stand up and speak to such a large audience and all of the children gave an accomplished performance. The received excellent feedback from the judges, and Mrs Hartley and I were extremely proud of their achievements. All of the children received a certificate and a prize.

Last Friday, Mr Stephen Burrow, School Inspector, conducted a Statutory Inspection of our school in accordance with The National Society's Statutory Inspection of Anglican and Methodist Schools Framework. This was a very successful day and we look forward to sharing the full report, and associated grading, with all our stakeholders as soon as these are verified and published.

This week, Class 2 enjoyed an educational visit to Blackpool where they enjoyed learning about the history of seaside resorts and attractions. Activities included workshops, a trip up the tower and even a waltz around the Tower Ballroom.

The whole school has been enjoying Sports Science Week. The week was launched with an opening ceremony where each class presented information about the continent they were representing. This included lots of interesting research, music and even African dancing. On Tuesday, we all enjoyed a very successful Sports Day when the weather stayed dry - just about! This event was very well attended and all of the children enjoyed a wide variety of sporting events and races. The children have also enjoyed a mini Olympics and completing sports science investigations. This afternoon parents and carers enjoyed a final presentation from the children about their experiences throughout the week. Please see the website gallery for a range of photographs from the whole week.

In worship, we have been reflecting on how actions can speak louder than words and how we can show love to others through the smallest of deeds. These small acts of kindness are often much more valuable than grand gestures. We thanked God for those people who are patient and kind to us and asked for help in showing others love and care.

Warm wishes, Mrs C L Garner

11am start at Edenfield Primary School

The Big Run

Saturday 9th July

Warm up & activities from 10.15am. Run starts promptly at 10.30am

Runners to register from 9.45am
