

Horse Riding at Dam Top

4th September 2018

Dear Parents and Carers,

As you are aware, schools receive sports funding to improve sports and PE provision and we are busy looking for new sporting activities for our pupils to experience. Following the success of the first horse riding project last term, I am delighted to be able to offer the exciting opportunity for another group of KS2 pupils to learn to horse ride at Dam Top Riding Centre at a heavily subsidised cost. We have arranged another course of six sessions for a group of sixteen children to learn to ride. The first lesson will take place on Thursday 13th September with the course finishing on Thursday 18th October. The course is aimed at beginners with little or no experience of riding. The standard price for a course of six lessons would be £108; we will be subsidising the project so it will cost parents £30 for six sessions. The course will involve both horse riding and stable management and the children will receive a certificate of achievement from the stables upon completion.

The time of the lesson will be 3.45pm – 5.00 pm. It will be important to arrive by 3.30 pm in order to have equipment fitted. There is absolutely no need to buy new equipment, everything required will be provided by the stables. In order for the project to go ahead, parents must take responsibility for transporting pupils to and from the lessons. Mrs Garner will also attend the sessions and there is no obligation for parents stay at the stables for the duration of the session although you are welcome to watch.

If you would like your child to participate in this activity, there must be a commitment from you to attend all six lessons. Please do not apply for a place if you are unable to commit to all the sessions as we anticipate a high demand for this activity. As the course is heavily subsidised, should a lesson be missed, your child's place will be offered to the next child on the waiting list. Initially, the offer is not available for those children who have already completed the course. However should there be spare places, we will notify those wishing to take part for a second time.

This offer is strictly on a first come, first served, basis so if you are interested, please complete the slip attached and hand it **directly**, with the payment, into the school office. We do plan to offer further sessions throughout the year, so all interested pupils will be placed on a waiting list and will be invited to join subsequent sessions. Further information and registration forms will be distributed to those children selected to participate.

Yours faithfully,

C. L. Garner

EDENFIELD C E PRIMARY SCHOOL

Horse Riding Lessons at Dam Top Riding Centre

I would like my child _____ to attend Dam Top Riding Centre for six lessons starting on the 13th September and ending on the 18th October 2018.

I commit to taking my child to all six sessions and enclose payment of £30.

Signed: _____

Dated: _____
