## Edenfield C E Primary School

Thursday 13th September 2018

Dear Parents and Carers,

As you are aware, schools receive sports funding to improve sports and PE provision and as part of our commitment to provide new sporting activities for our children to experience, we will now be offering a set of skiing lessons for KS2 pupils, each term, at Ski Rossendale. This initial set of lessons will be aimed at beginners and pupils with little or no experience of skiing. The project will be fully funded by the school and is therefore free of charge to pupils.

The first course will begin on Tuesday 18th September and finish on Tuesday 30th October, although we will be running additional courses throughout the year. The time of the lessons will be 3.45pm –5.00 pm. It will be important to arrive by 3.30pm in order to have equipment fitted. There is absolutely no need to buy new equipment, everything required will be provided by the ski slope. In order for the project to go ahead, parents must take responsibility for transporting pupils to and from the lessons. A member of staff will also be in attendance and there is no obligation for parents to stay for the duration of the session, although you are welcome to watch.

If you would like your child to participate in this activity, there must be a commitment from you to attend all six lessons. Please do not apply for a place if you are unable to commit to all the sessions as we anticipate a high demand for this activity. As the course is fully funded by school, should a lesson be missed, your child's place will be offered to the next child on the waiting list.

Places will be allocated on a first come, first served, basis so if you are interested, please complete the slip attached and hand it directly into the school office. All interested pupils will be placed on a waiting list and will be invited to join a subsequent course. Further information will be distributed to those children selected to participate.

Yours faithfully,

C. L. Garner
