Edenfield C.E. Primary School

8th October 2018

Dear Parent/Carer

EYFS and Key Stage 1 - Parent Workshop

We will be holding a Parent Workshop for parents of children in Reception, Class 1 and Class 2 on the subject of **Reading** on **Tuesday 16th October at 7pm.** The aims of this workshop are as follows:

- To provide information for new parents on how we use phonics to teach reading and writing
- To explain how children learn to read and write
- To demonstrate how we develop reading skills as the children progress through Key Stage 1
- To give advice on how you can support your child's reading development at home

Teachers from The Foundation Stage and Key Stage 1 will deliver a presentation on the above.

Although the session is aimed at new parents, all parents of Key Stage 1 children are invited to attend, in order to obtain the most recent information on the teaching of reading. Following the presentation, there will be the opportunity to view the resources used in your child's year group and speak to each class teacher.

We hope you will be able to join us for this informative evening so that we can continue to work together to support your child's learning and progress.

It would be helpful for us to know how many parents and carers are attending so that we can produce the correct number of information packs. Therefore, if you are planning on attending, please complete and return the reply slip below as soon as possible and no later than Friday 20th October.

We look forward to seeing you on the 16th October.

Yours sincerely

Mrs C.L. Garner
Headteacher
