Important Bag Update

Due to increasing numbers of pupils and limited cloakroom space, rucksacks and large bags will **not** be allowed in KS1. Please use a book bag for school equipment and a named drawstring kit bag for PE.

Small rucksacks for school equipment will be permitted in KS2 but these should be a sensible size and **NOT** unnecessarily large. Please note, large bags will be sent home. Please use a **drawstring kit bag** for PE.

Pencil cases are **not** allowed in school.

From September 2019, mobile telephones will **NOT** be allowed in school under any circumstances, this is in line with our online safety policy.

We expect all children to present themselves smartly, and require the staff to do likewise. Certain hairstyles and colours are not considered appropriate for school, and can bring unwanted attention to children and disrupt learning. Please also ensure hair decorations / headbands reflect school colours and are not overly large.

'Please put your child's name on everything!'
