## CHRISTMAS TREE DECORATIONS

As is the tradition every year, here at Edenfield Primary School, we ask each child to bring a bauble or decoration from home, to decorate the Christmas tree. We will be continuing with this tradition, and are all looking forward to decorating the tree and singing carols.

For Christmas 2019, the theme in the school hall is silver and white.

Please send your silver or white tree decoration into school by Monday 2nd December. It is not recommended that valuable or sentimental items are chosen for the school tree.

Yours faithfully
