

Guidance for submitting work via Google Classroom

- From tomorrow (Tuesday 24th March), work will be set via the ***classwork page*** NOT the stream
- Each lesson set will include the option to '***hand in***' your work (this can be seen clearly at the side of the page under the heading '**Your Work**')
- Click on ***add*** or ***create*** to attach a file of your completed tasks
- Click ***mark as done***
- Teachers will then respond privately to each pupil via this platform
