

Edenfield C E Primary School

Friday 20th March 2020

Dear Parents and Carers,

It is with such regret that we are closing the school to the majority of our children and families from Monday 23rd March. I am sure you understand that this is a decision made by the government to protect the health and safety of our local and global community and all we can do is hope and pray that normal life resumes as soon as is safely possible.

In the meantime, we have been working around the clock to plan worthwhile learning experiences for our children. We will continue to follow the syllabus in all subject areas and use **Google Classroom** to upload daily lessons and activities. We will also be using the following online resources:

- Purple Mash
- Digimap
- Times Tables Rock Stars

In addition, we will be providing the children with specific workbooks in line with their age group and ability. On a daily basis, your child will be able to log on to Google Classroom and find a range of resources and activities uploaded for them to complete linked to the themes planned for their year group. There will be an explanation of the work from the teacher and this will be accompanied by a range of resources which may include video clips, power points, pictures and diagrams. Today, your child has been sent home with a maths exercise book for mathematics, a writing book for all other activities and a sketchbook. We would like you to photograph completed work and email the attachment to one of the following email addresses:

- bursar@edenfield.lancs.sch.uk (Class R and Class 1)
- head@edenfield.lancs.sch.uk (Class 2, Class 3 and Class 5)
- hartleyc@edenfield.lancs.sch.uk (Class 4 and Class 6)

Teachers will mark and assess the submitted work and you will receive feedback from the allocated email address above.

In order to access these resources, your child will require the following logins:

- Google Classroom:
- Purple Mash:
- Times Tables Rockstars:
- Digimap: **Username - BL00HL / Password - priffs0280**

As school will be remaining open for the foreseeable future, for children of key workers and vulnerable children, staff will be on hand to help, should you have any problems accessing any of the above online platforms. We will continue to support all of our children and families throughout this challenging time.

Yours faithfully,

C. L. Garner
Headteacher
