

Edenfield C E Primary School

Friday 25th June 2021

Dear Parents and Carers,

As indicated on the newsletter we will be hosting class bubble sports days next week. The times and arrangements for each class are as follows:

- **Year 2: Wednesday 30th June at 1.45pm**
- **Class R: Thursday 1st July at 9.30am**
- **Year 1: Thursday 1st July at 11am**
- **Year 3: Thursday 1st July at 1.45pm**
- **Year 4: Friday 2nd July at 9.30am**
- **Year 5: Friday 2nd July at 11am**
- **Year 6: Friday 2nd July at 1.45pm**

In line with the school risk assessment and social distancing, one parent or carer per pupil will be allowed to attend. Access onto the school grounds will be via the double gates on East Street and a member of staff will open the gates five minutes before the event begins. We also ask that you leave promptly at the end of the sport day so that staff can clean down the chairs ahead of the next class. Please avoid arriving too early to avoid congestion and to allow the previous class of parents and carers to leave when we have two events in succession.

Pupils will wear their school PE kit. No house t-shirts are required this year. Please **make sure** that your child has a PE kit in school **every day** next week and especially on their designated sports day. Currently, the weather forecast is warm and sunny so please apply sun protection on the day and provide your child with a sun hat and an extra drink. Each class will use their own set of equipment and additional items have been purchased to avoid sharing of resources.

Overall winners of each race, and pupils identified as displaying the school sports values of determination, honesty, passion, respect, teamwork and self-belief, will be awarded prizes at whole school awards on Thursday 15th July. Stickers will be given on the day.

We are looking forward to reinstating sports day, albeit under restricted circumstances, and look forward to seeing you on school grounds enjoying a school event, next week.

Yours faithfully,

C.L. Garner

Headteacher
