

EDENFIELD C.E. PRIMARY SCHOOL

18 June 2021

Dear Parent/Carer

Science Workshop – Class 4/5/6

We have planned a science workshop at school on Friday 25th June, as part of our science week.

The visit will provide opportunities for the children to code, design, engineer and build their own robots, in both simple and complex forms. Sessions are adapted according to age and experience to ensure all learners have a great time building and coding their robots. School timings and lunch arrangements will be as normal.

School has heavily subsidised the cost of the visit, however, in order for the event to go ahead we are asking for a voluntary contribution of £5.00 per child, to be paid by Friday 2nd July.

Yours faithfully

Mrs C L Garner
Headteacher

Science Workshop – Class 4/5/6

Please include your contribution of £5.00. Please make cheques payable to Edenfield Primary School.

Please indicate payment type: Cash ☐ Cheque ☐
