Edenfield C E Primary School

Monday 27th June 2022

Dear Parents and Carers,

As indicated by text today, we have postponed sports day until next Tuesday 5th July, due to the very wet weather forecast this week. Even with spells of intermittent dry weather, the field will be wet and slippery if the rain continues as forecast.

The sports day will be hosted for separate key stages. The classes will then be divided into different sections of the school field, and the times and arrangements are as follows:

- **EYFS: 9:30am**
- **KS1 (Years 1 and Year 2 seated together): 9:30am**
- **KS2 (Years 3 and 4 seated together): 1.45pm**
- **KS2 (Years 5 and 6 seated together): 1.45pm**

There are no restrictions on the number of parents and carers able to attend this year. Access onto the school grounds will be via the double gates on East Street and a member of staff will open the gates five minutes before each event begins.

Pupils will wear their school PE kit. No house t-shirts are required. Please **make sure** that your child has a PE kit in school **every day** next week and especially on their designated sports day. Currently, the weather forecast is warm and dry so please apply sun protection on the day and provide your child with a sun hat and an extra drink.

Overall winners of each race, and pupils identified as displaying the school sports values of determination, honesty, passion, respect, teamwork and self-belief, will be awarded prizes at whole school awards on Thursday 21st July. Stickers will be given on the day.

We are looking forward to reinstating sports day in full and look forward to seeing you on school grounds enjoying a school event, next week.

Yours faithfully,

C.L. Garner
Headteacher
