Edenfield C E Primary

9th March 2023

Dear Parents and Carers,

The children have been working on a special art project with ***Images,*** an art initiative company which provides a creative challenge to young artists. Each class has chosen a special theme and, after practising skills and developing their creative ideas, the children have now produced a final masterpiece.

We are now delighted to announce that ***Images*** has mounted and framed this work and will be showcasing the children's final pieces in a special gallery art exhibition for parents and carers. The framed artwork will be catalogued and available for you to purchase for you and your child to commemorate the event, and treasure forever.

The art exhibition will be held on Monday 20th March in the school hall from 3.15 – 5.15pm. I saw the work prior to it being collected by ***Images*** and I was so impressed by the standard, range of ideas and final outcomes; this is a special opportunity not to be missed.

The pictures will be available to purchase for £12.50, and this covers the cost of the mount, and frame. Payment should be made via ParentPay from Monday 20th March. If you wish to purchase more than one copy, this can be arranged on the night, and all pictures purchased will come with the frame. The prints will also make wonderful gifts for the family. Sold pictures will be distributed at a later date so that everyone can enjoy viewing the full gallery for the duration of the evening. Refreshments will also be served.

The visual arts play a vital role here at Edenfield – it is an area that every child can enjoy. Art is proven to promote wellbeing and raise self-esteem and we love to use the children's work to make our school a vibrant and rich learning environment. Our art curriculum promotes displaying and celebrating pupils' work and seeing their own framed pictures in a proper gallery will be a big occasion for the children. Furthermore, sharing their work with someone special will make it an event to remember for them.

Unsold art will stay in school for a few more days after the exhibition so parents who miss the big event still have the opportunity to view and purchase the artwork.

We do hope you will join us on the day and look forward to welcoming you to our first ever art gallery exhibition.

Yours faithfully,

C.L. Garner
Headteacher
