

Edenfield C E Primary School

Dear Parents and Carers,

As you may be aware, the government expect all mainstream, state funded schools in Britain to offer a 32.5 hour minimum school day by September 2024. This time includes the time from morning registration to the official end of the school day (including lunchtimes and breaks). It does not include optional activities such as the after school programme of clubs we offer to each year group.

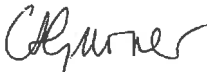

To ensure a smooth start to the day, we already open our doors to the children from 8:50am with registration at 9:00am. From September, school registration will be at **8:50am** with doors opening at **8:45am**. Children arriving after 8:50am will be marked late on arrival. The school day will now finish at **3:20pm**. These minor changes will mean our school week will meet the expectation of a 32.5 hour school week, with the added bonus of a wide range of after school extra-curricular activities. To confirm:

From September 2024

- **School registration opens: 8:50am**
- **School finishes: 3:20pm**

Thank you for your ongoing support.

Yours faithfully,

C. L. Garner
